GRADUATES OF THE RED CROSS sponsored Home Nursing Class in Antioch: Virginia Steffenburg, Lane Delgaard, Blanche Wagner, Janet Brook, Gwan Hansen, Marge Seitz, Peg Harrison, Helen Nelson and Hilma Lightsey. In front row, seated, is the instructor, Mrs. Helen Schimmel, and on her right Vera Meir and Dorothy Brooks.

Home Nursing Classes End

The Red Cross-sponsored Home Nursing classes in Antioch have been a tremendous success, according to Charles Vosburgh, Red Cross representative, and Mrs. Helen Schimmel, instructor for the Antioch classes.

The women who have been taking the courses graduated last Wednesday night at the Rescue Squad building in Antioch, where the

courses have been held. There have been two classes running concurrently, one in the afternoon and one in the evening. Both classes graduated last week.

The course is designed to

prepare the homemaker to nurse the sick at home more conveniently.

The Home Nursing Course will probably be repeated in the fall, Mrs. Helen Schimmel said.

School Board Elections Scheduled For Saturday

Voters will go to the polls again this Saturday, April 13, to elect members to the Board of Education of their respective school districts.

In Antioch Township High School, two school board members will be elected for full terms of office, and one for a two-year term. Incumbents Milburn C. Cain and Robert C. Denman are candidates for the full term, as are Leslie P. Gilmore and Sven Ostlund.

Candidates for the two-year term are Lorraine Cheetnam and Robert M. Lindblad.

At the Antioch Grade School, there are three candidates for the full 3-year term. Incumbents Elroy Anderson and Leslie Sorenson are running for re-election. Robert Sorenson is running for the full term, also.

One board member is to

be elected for a one-year term. Wesley O. Camp and Ellis E. Dotson are running for this seat.

At Grass Lake School, Robert Hart and Charlotte Queen are uncontested for the two full terms. Both are running for re-election. Mildred Gaston and Frank Benes, Jr., are candidates for the one-year term.

At Channel Lake School, Richard Harland and Paul T. Zeien, Jr., are uncontested for the two three-year terms. Running for the one two-year term are James Waters and Raymond Enzenbacher.

Firemen Kept Hopping By Grass Fires

The Antioch Fire Department has answered 20 calls in the six days of April 3 to 8. Most of these calls have been grass fires. A few started as grass fires and spread to buildings.

The extremely dry conditions this spring have made any trash fires hazardous.

Fire calls were:

April 3—8:50 a.m., Mackelroy Farm, Grass and woodpile fire.

April 3—1:15 p.m., Grass fire east of Fetter's Subdivision and Tiffany Road.

April 3—4:03 p.m., Grass fire and rubbish on Smith property at Channel Lake.

April 3—6:30 p.m., Grass fire ignited trees at Tiffany road.

April 5—9:35 p.m., Grass fire at Carroll's Resort at Bluff Lake.

April 5—2:10 p.m., Grass fire south of Old Orchard Inn on Route 21.

April 4—4:05 p.m., Grass fire across from Grass Lake Lumber Co.

April 5—4:40 p.m., Grass and brush fire at rear of Pickard China plant.

April 6—9:15 a.m., Grass fire in California Subdivision on Route 173.

April 6—12:25 p.m., Grass fire on Gifford property on Route 173.

April 6—12:44 p.m., Grass fire at Brook's Subdivision on Lake Antioch.

April 6—1:15 p.m., Grass fire at Trevor Road and North Ave.

April 6—1:25 p.m., Grass and house fire at Petite Lake across from Kemp's Resort.

April 6—2:00 p.m., Grass and barn fire at Robert Herquist's on Route 45.

April 6—2:18 p.m., Grass fire on Beach Grove Road across from airport.

April 6—3:15 p.m., Grass fire west shore of Antioch Lake.

April 7—11:45 a.m., Grass fire at Otis's Resort at Grass Lake.

April 7—3:30 p.m., Grass fire in Forbrick's subdivision at Bluff Lake.

April 8—3:00 a.m., Car fire at Routes 173 & 45.

April 8—11:25 a.m., Car fire on Lake Ave., Channel Lake.

Ball To Mark Mental Health Week Program

Observance of National Mental Health Week in Lake County will begin with an Open House at the Mental Health Clinic at 32 N. Ulcea in Waukegan on April 29, from 2 to 4 p.m. Board members and members of the staff of the clinic will be present to conduct tours and answer questions.

Mental Health Week has been established from April 28 to May 4.

The Lake County Mental Health Society will sponsor a Recognition Ball on May 4 at the Rink Ballroom on Belvidere Road in Waukegan. A program of entertainment and dancing will start at 8:30 p.m. Dancing will be to several different units, through the courtesy of the Lake County Federation of Musicians Union, Local 284.

This is the tenth anniversary of the Lake County Mental Health Clinic. The ball will be a salute to all elected officials. Mayor Murrill Cunningham will be invited to attend, as will Governor Kerner, Rep. Murphy and other notables.

Co-chairmen of the ball are Mrs. George Howland of Grayslake, Mrs. Gus Gorgan and Mrs. Max Litchin. Judge Thomas Moran is chairman, assisted by Fritz Sorenson of WKRZ as master of ceremonies.

Film Short At Theatre For Cancer Month

Mrs. Boyd Osmond, chairman of the Cancer Crusade in the Antioch area, has announced that a film short on cancer, a Finchley cartoon, will be shown at the Antioch Theater the week of April 10-16. The film is furnished by the Cancer Society.

The American Cancer Society launched its 1963 Crusade in Lake County on April 1. More than 1000 volunteers will join forces with some 2,000,000 similar volunteers throughout the nation in the annual April Cancer Crusade.

Dr. A. H. Sommers, Crusade chairman, said the drive has two objectives—"to save lives now and to save lives in the future."

The chairman urged "all of the people of Lake Coun-

April usually brings show-ers. This year it's a little different. The showers are lacking, but April has brought a veritable burst of elections.

past, Antioch residents will go to the polls three times in the next week—twice Saturday, when they will vote for grade school board members and at the High School for members of the Board of

Education of the High School; and again on Tuesday, when members of the Village Board are elected.

There is no lack of candidates for the four vacancies on the Village Board. Two full slates of eight men are running, plus four independent candidates—twelve candidates for the four posts.

One vacancy on the board is an unexpired term of two years. Three of the candidates are running for this post—Robert Calloway, Independent; Einar Petersen, Old Guard, and Ralph E. Gresens, People's Party.

The other three candidates running as Independents are Bette M. Meyer, Warren W. Heintz and John C. Seidelman. Filling out the Old Guard slate are incumbents Raymond P. Toft and David H. Nissen, and J. Irving Walsh. The Peoples Party lists incumbent Herman Holbek plus Arthur R. Meierdick, Jr., and Jeronie Rockow. All of these candidates are running for the full four-year term.

Independent candidates can not be voted for as a slate. Each name must be marked separately. Candidates on the Old Guard and Peoples Party slate may be voted for as a slate, by marking an X in the circle opposite the Party name, or may be voted for individually. Voters may select candidates from each of the three parties, so long as they vote for no more than three full-term candidates, and one short-term.

Action on Driver's Licenses Announced

The office of the Secretary of State reports that the driving license of James Harris, Rt. 3, Box 264, Antioch, has been revoked for driving while intoxicated.

A probationary permit has been issued to Robert G. Dickson, Rt. 2, Box 440, Antioch.

ANTIOCH STUDENT ELECTED TO STUDENT SENATE

Karen Lightsey, daughter of Mr. and Mrs. Daniel H. Lightsey, Rt. 2, Antioch, is one of the students elected to the student senate for the 1963-64 school year at Cornell College.

The elections were held on April 2.

Tot Shop Has Moving Pains

The Tot Shop, on Main St. in Antioch, will be out of business for about a month while the owner, Mrs. Pearl Taylor waits for the tenant to vacate the store to which she plans to move.

Mrs. Taylor is caught in one of those "have-to-move-out, can't-move-in" binds. The new location of the Tot Shop will be 909 Main St., occupied by Arnold's Barber Shop. Arnold can't move into his new location at the Antioch Savings & Loan Plaza until at least May 15. Mrs. Taylor has to move out of her present location by May 1.

In this case, the customer is the beneficiary of Mrs. Taylor's uncomfortable position. She's selling her stock at 20% off so that she will not have to store so much. Mrs. Taylor estimates that the Tot Shop will re-open at its new location about June 1.

Winners of Science Fair At Lake Forest

Winners of the Science Fair at the Antioch Township High School took their projects to the District show at Lake Forest on April 6.

Winners of first place awards at Lake Forest were Robert Beese and Leonard Rozek, Grass Lake School, with their conservation project, Soil, Water and Wildlife;

Glen Oftedahl

Glen Oftedahl, Antioch Grade School, Physics, Alpha, Beta and Gamma Rays; John Brady and Wilnette Monnier, Antioch Township High School, Chemistry—Gallstones; Terry Witkowski, High School, Aeronautics—Space Exploration.

Second place winners were Larry Wilcox and Alan Tegen, both from Antioch High School.

Third place winners were Lon Eckert, Jim Sorenson and David Serres, David Chandler, Joan Tanner and Marilyn Bennecke, all from Antioch Township High School, and Linda Grego, Emmons Grade School.

First place winners will display their projects at the State meet at Champaign on May 10 and 11. They will show their projects in the new Assembly Hall at the University of Illinois.

Thar's Gold In Them Thar Hills

Looking for an easy way to make money? Just read our Want Ads.

You may have noticed we advertised a check-writer for sale some time ago. We were not exactly overwhelmed with offers. One gentleman tried out our somewhat antiquated model and returned it with the disparaging comment that it must have been one of the first ones made.

We finally managed to palm the inefficient machine off on a Mr. Edward LaFlamme for \$15.00. Thought we'd made a pretty good deal.

Mr. LaFlamme bounced in last week and thoroughly relieved our conscience of any burden of guilt by airily announcing that he had sold the check writer to Paymaster Corporation for \$55.00. Yep, it was an antique.

With slightly pink complexions, we're wondering what happened to that old paper biter we finally managed to get rid of.

The Changing Face of Antioch

Antioch has grown and changed steadily through the years, but this summer it seems destined for one of the biggest spurts of building and growth it has ever known.

Both the Antioch Savings & Loan Plaza on Lake Street and the building which will house the Kennedy Construction Co. in Industrial Sequoit Acres are rapidly proceeding toward completion.

The partially completed Kennedy building, with the

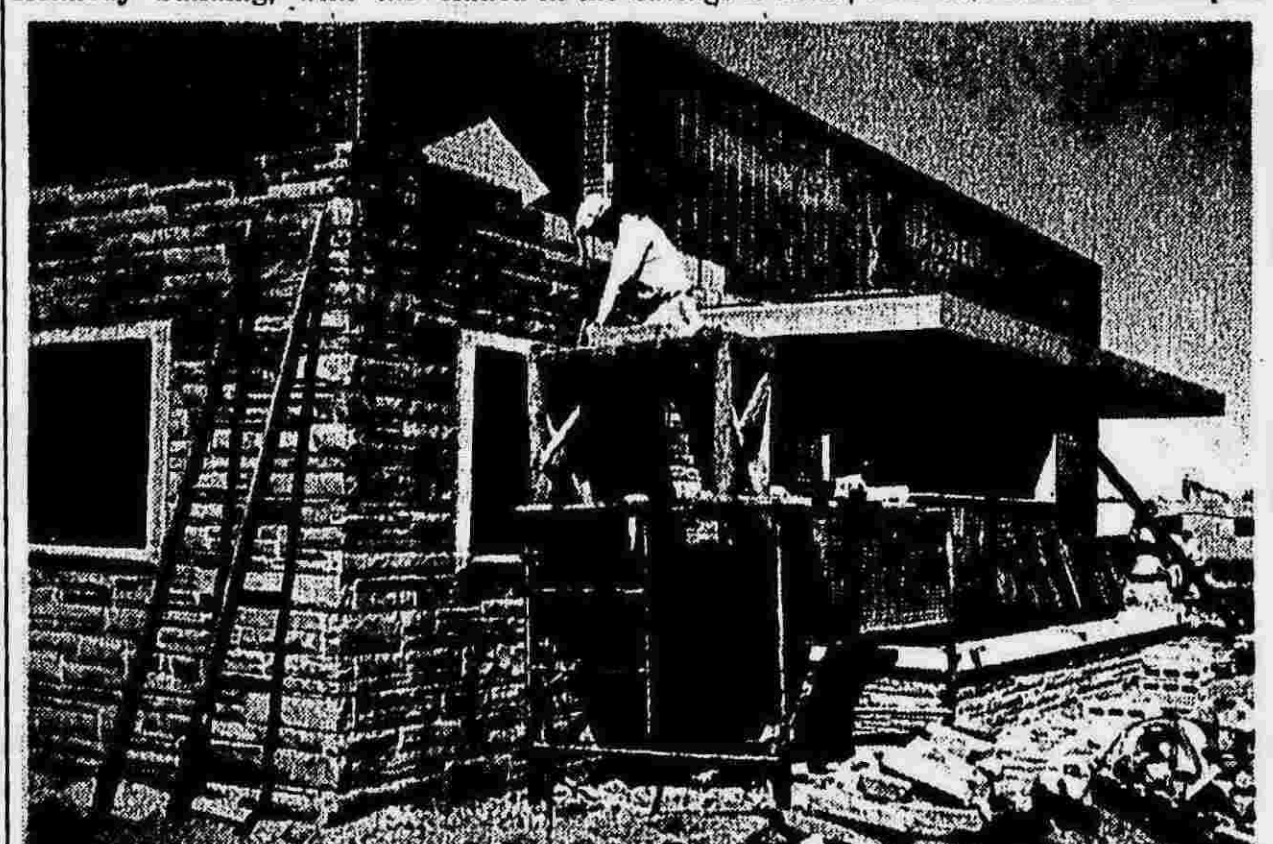

main body of the structure of blue brick, looks as though it would be an attractive addition to the industrial section of the town.

Work on The Antioch Savings & Loan building is proceeding rapidly. The attractive new buildings will replace the rather run-down residences which had been converted to business uses, and give a real face-lifting to Lake Street. The Community room which is included in the Savings & Loan

building itself should be a real addition and convenience to the people of the town.

Tiffany Arms, adding 36 new apartments to housing facilities in the village, is under construction. July 1st is the target date set by Cermak realtors, when apartments should be ready for occupancy.

Work to replace the broken pavement on North Main St. has been going on for some time and should be completed soon.

THE GEORGE KENNEDY CONSTRUCTION CO. will have its headquarters in this new building being constructed in Sequoit Acres.

WORK IS PROCEEDING SWIFTLY on the new Antioch Savings & Loan building on Lake Street.

A pleasant touch of life and beauty will be added to the business section of Antioch when the Antioch Garden Club completes its flower planters along Main and Lake Streets. They hope to have flowers blooming in the boxes by Decoration Day.

Still in the planning stage are the proposed Shopping Plaza and the 22 units which John Dupre plans to add to his Coral Apartments on North Main St.

The proposed Shopping Plaza will be built on Orchard Street, running from the Village parking lot to Hillside Ave. The Village is making tentative plans to build an alley from the parking lot along the south edge of the plaza to Hillside, lightening the traffic load on Lake St.

No date has been set for the construction of the addition to the Coral Apartments. However, John Dupre says he still hopes to build the apartments this summer.

Plans are also being made to improve the village park area near the swimming pool.

Frostee Sno Company in Industrial Acres is building an addition to the plant for use as a warehouse. Everett Oftedahl says he hopes the addition will be completed in about 30 days. The high winds last week knocked down the partially built walls and set back completion of the building.

Also still in the planning stage, but definitely scheduled for construction this summer, is the addition to the Antioch Methodist Church on Main St. The new portion of the building, about 88 feet by 128 feet in size, is to be a Church school.

A model home in Mayor Cunningham's new Subdivision, Village Green, at the northeast boundary of the village, is nearing completion, and more new homes will undoubtedly be springing up in this section of the town.

The face of Antioch will change a little faster this year than it has in the past. New buildings of modern architecture will bring a fresh and up-to-date look to some sections.

What changes, we wonder, will be in the works, when next Easter rolls around?

To Stage Song Of Norway at School in May

The Fine Arts Department of Antioch High School is presenting the Broadway Musical, "Song of Norway," May 3 and 4, at 8:00 p.m. in the high school auditorium.

"Song of Norway" ran for 860 performances while in New York. The story is based on the life of the composer Edvard Grieg. There are two acts and seven scenes with action taking place in Norway, Denmark, and Italy.

The costumes will be very colorful, going from one extreme to another. First the authentic Norwegian folk costumes with vests and hats borrowed from the Luther College Women's Club, Decorah, Iowa, to the beautiful ballroom gowns worn by the girls with the boys in full dress formal wear including white tie and tails for the ballroom scene in Rome, Italy. The tails are being rented through Klass Men's Store.

A full orchestra will again be used with professional string players. The cast numbers 62. The staging and choir is under the direction of Della Mae Tronchuk. Orchestra conductor is Joseph Rush; choreography, Marilyn Miller and Alice Brownlee; lighting technician, Randall McConahay; and make-up Patricia Tierney.

Students heading work crews are Karyn Sillanoff, stage manager and scene design; John Anderson, and John D. Horton, set construction; John Stepenske, costumes; Cheryl Rychlik, properties; Ardeen Stann, publicity; and Jean Price, programs.

Any adult wishing to offer their services in any way to the above crew members please contact Miss Tronchuk. If there is anyone willing to donate an evergreen tree to be used on stage, please contact Miss Tronchuk at the Antioch High School.

You Have A Choice

With the rapid growth of the village of Antioch in recent years, the coming village election, Tuesday, April 16th, becomes one of the most important we have ever had.

The slate of candidates is one of the largest the village has had in many years, a sure sign that residents are deeply concerned about the operation of their community affairs.

The race has been somewhat overshadowed by the recent Supervisor's contest, but the issues and decisions are no less vital. Our Village Board should represent the most impartial and honorable element the village has to offer.

Whether you are one who feels a change is needed and new people should be given a hand at managing our community, or, that the board has done a good job and the incumbents should be returned to their posts, the important thing is to express that opinion at the polls Tuesday.

This will be the last opportunity for us to voice our desires for the next two years.

Twelve candidates have taken the trouble to offer to serve the town. Village voters owe it to those candidates to get out and vote.

Greed Backfires

The recent typhoid outbreak in the winter resort of Zermatt, Switzerland, probably would have been nipped in the bud with the first case if it hadn't been for the greed of some of the business men, probably aided and abetted by the unwillingness of the rest of the populace to speak out and offend neighbors.

Zermatt businessmen and local officials, it's said, hushed up the first cases of typhoid and pooh-poohed the rumors that the presence of the disease had been verified. Resort-owners were afraid that bringing the news out in the open would scare off prospective vacationers. So they tried to conduct business as usual and, presumably, hoped no more cases would develop.

Under the circumstances, no real action against the spread of the disease could be made.

When news of the epidemic finally broke, Zermatt became a deserted town, so far as tourist trade was concerned. Cases had already been verified in tourists who had returned home to other countries, spreading the danger. Able to investigate openly now that the need for silence was gone, officials quickly found the source of the trouble—a hole in a water main, into which sewage was seeping.

Besides the unnecessary deaths and illness, Zermatt will probably suffer a loss of tourist trade for a much longer time than they would have had they put the welfare of their customers ahead of the few dollars of revenue they gained.

"Little Things Mean A Lot"

Congratulations to the Antioch Garden Club for their plan to add a bit of beauty to the business section of Antioch.

Appearance is important. Merchants know the value of attractive windows and displays. But there isn't anything much less inviting than bare city sidewalks.

Boxes of flowers along the street can add a bit of beauty to the town that all will enjoy. A little cooperation from all the citizens will be required to watch out for the welfare of the plants. So they become the responsibility, as well as the pleasure, of everyone who passes by.

It's a declaration of civic pride and a start toward self-improvement for the town. Let's hope it's contagious. A lot of little things can add up to a great deal.

Along The Way

with ANNIE MAE

Springtime, it appears, is the season for fencing, either building, repairing, painting or sitting. Fence sitting seems to have become a rather popular pastime when elections roll around. Many people have the mistaken idea that to take a stand for or against a candidate or issue will cause them to lose either business or social standing. However, there is one thing that these sitting pigeons have overlooked. They become vulnerable targets for the wrath of both sides of an issue. Freedom of Speech is our inalienable right! Don't, for Democracy's sake, let this precious right be swallowed up by the demon "indecision."

THE LATEST REPORT: Gordon and Dolores Molgaard will be among the fence-fixers this Spring, after the wind-fanned fire last Wednesday engulfed their gate and some fence along with many acres of surrounding brush. . . . Vi and Beattie spent some time "beating the bush" around their home, too, that day, as the flames leaped uncomfortably close. . . . our praise to those wonderful Volunteer Firemen who fought the blaze so well, while the wind and flames had all the odds. . . . that wind huffed and puffed so hard it blew in the West window of Leonard Roblin's store on Lake St. We hear he was just remarking about how his glass business would be rushing with a wind like that, when Mr. Wind popped right in on him. . . . However, "It's an ill wind that doesn't blow somebody some good," as the saying goes. True! That day brought forth a brand-new baby girl for Fred and Judy Rausch.

FORGET YOU NOT: School board elections Saturday, April 13, and the Village Board Election Tuesday, April 16.

THE LAST DROP: Could it be that M. L. D. and A. W. are considering that long walk with the plain gold band at the end? . . . the fellows at the bowling alley inform me that Tony Stanich would be a good candidate for "You Bet Your Life". . . . Dr. Allan Thain was in attendance at a Medical Society Convention in old Chi last week. . . . There's a new Field at Jack and Sara's house, and it looks like it might be Timothy. . . . if that wasn't the stork hanging around a certain Optometrist's house, then I need glasses!

DID YOU HEAR: With all the exercise craze, the least practiced exercise of all is to hold your tongue. While the easiest, is to put one's foot in one's mouth.

Apply for Academy Applications Now

(Washington, D. C.)—Senator Paul H. Douglas today announced that all young men interested in competing this year for one of his nominations to one of the United States military academies, should write to him before May 15 of this year.

Senator Douglas said that he will consider any male citizen residing in Illinois, who is a high school graduate, and who will be between 17 and 22 years of age by July 1, 1964, the date the classes begin for which the applicants will be given consideration.

"All too often," Senator Douglas declared, "young men wait until they are seniors in high school before applying. This is not necessary. A young man should apply while he is a Junior so that he does not have to wait a whole year to see if he is eligible to enter one of the academies."

Senator Douglas is allowed to have five young men under his sponsorship in each of the military academies. For each vacancy he must fill for the Naval Academy, he nominates six; for the Air Force Academy, he nominates six; and for West Point, four. In addition, Senator Douglas nominates 10 young men to compete statewide for the 15 vacancies allotted to Illinois for the Merchant Marine Academy. The Senator estimates that he will have between 25 and 30 nominations to make this year.

All young men who wish to compete this year, should

Putting one little word after another, and whatever happened to roller derbies on television? Or, whatever happened to the big Democratic threat to put a couple of party members on the Lake County Board of Supervisors?

Democratic forces fared badly everywhere except in Highland Park where incumbent Supervisor Frank B. Peers won handily over a late-starting write-in candidate.

Whether or not the Democrats will continue their fight for township office on partisan tickets will be decided by party officials after a thorough study of all returns, but it's our guess that they will continue, if for no other reason than to produce schisms within the ranks of the Republican party.

Considerable bitterness was generated in some GOP circles because of the slating but time heals most wounds and by the time the next election rolls along matters political will probably be back on a normal keel.

County board leaders, as a result of the strong showing of incumbents in the township elections, will no doubt feel justified in continuing the major programs which have been instituted in recent months.

The results of the elections were most gratifying to Wauconda Supervisor Robert Dickson who is now a virtual cinch for a second term as county board chairman.

The question of where our fourth Circuit Judge is coming from has apparently been settled by the legislature's decision not to delay the election until November 1964, so politicians can start maneuvering for other positions to come up in 1964.

Sometime between now and late 1964 judicial convention delegates from 13 northern Illinois counties will get together to nominate a trio of candidates to fill the new Appellate Court posts.

As one of the three largest counties in the district, Lake County should be entitled to one of the posts and can insure the election of a Lake County candidate if the delegates can agree on one candidate and cast a unit vote in the judicial convention.

Strained feelings within the Republican Party in Lake County as a result of the judicial convention which nominated Glenn K. Seidenfeld for Circuit Judge will have to be eased between now and the Appellate convention, but it is reasonable to assume that the delegates will put personal feelings aside to cast their vote for the Lake County candidate with the best chance of going all the way.

The GOP at the state level is in for a titanic struggle for power between the Young Bloods and the Old Guard.

At stake is the GOP nomination for Governor in the 1964 primary.

Heading the Old Guard in a bid for the nomination will be Secretary of State Charles Carpenter, who is an avowed candidate, and a likely team-mate is Elmer Hoffman, Du-

And, certainly, any Lake County candidate for Appellate Court will have to court Cong. Hoffman who will undoubtedly carry considerable weight in the judicial convention because of the DuPage delegation.

It should be a most interesting political season as the pulling and hauling, wheeling and dealing gets into full swing.

Your Governor Reports

by OTTO KERNER

The fiscal recovery of Illinois has reached the point where it can be said that no new or increased taxes should be needed for the forthcoming two-year budget period, but I want all citizens to continue to be aware of the need for Constitutional revenue reform.

Better enforcement of existing tax laws, sharp economies, sharp economies and a common sense approach to building needs should obviate the need for new taxes in the biennium beginning July 1, 1963. Details of the program will be outlined in my budget address to the General Assembly later this month.

This administration will not stop with the recovery recorded so far. Revenue reform still holds out the promise of the best tax deal for the citizenry. Few persons would disagree with the need for this reform. Honest disagreement comes over the specifics of a proposal. A mirror of the problem came recently when the Legislative Revenue Study Commission, whose members came from the General Assembly and various segments of the population, failed to agree on a recommendation after many months of hard work.

To accomplish this reform, approval of the General Assembly and the people at a subsequent referendum are needed. What we are talking about is revising the section in the Illinois Constitution which deals with the ways and means revenue is to be raised to meet the bills of the state.

I have not been deterred by lack of a recommendation from the Revenue Study Commission. The commission members have been asked to stay on the job and, in the meanwhile, I have instructed personnel in the department of Revenue to try to come up with some recommendation. In such a vital mission, the wisdom of many persons is needed.

The need for revenue reform is obvious. Our entire tax structure is outmoded, based on agricultural and land economy of our state when the constitution of 1870 was adopted—a time when the preponderance of our people lived on farms. Real estate and tangible personal

property were the basic wealth. Times have changed and we must change our Revenue Article to comply with modern life.

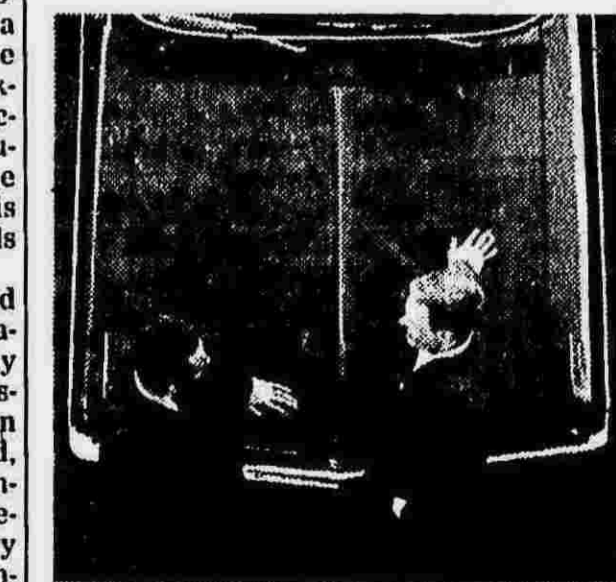

The shackles of the present Revenue Article must be broken and the tax load more equitably distributed among our population.

We must look beyond two years, four years or 10 years. We must look to the future, and Constitutional revenue reform is requisite to the satisfaction of all taxpayers.

DEATH NOTICES

JOHN SANGER

John Sanger, 71 years old of 910 David Street, Antioch, passed away Friday, April 5, at 1:00 a.m. in Condell Memorial Hospital in Libertyville, after a two week illness due to a heart ailment. He was born March 10, 1892 in Cologne, Germany, and came to America in 1924. He resided in Chicago, until moving to Millburn in 1947, then moved to Antioch in March 1963. In June 1924 he married Anna Sarrazin at Cologne. He had worked for 7 years for Abbott Laboratories at North Chicago before retiring in 1957.

He is survived by his wife, Anna, one brother and three sisters in Germany, and one brother in Mexico. Funeral services were held at 9:30 a.m. on Monday at Strang Funeral Home in Antioch, and a requiem mass was held at St. Peter's Church at 10 a.m. Interment was in Mt. Carmel Cemetery at Antioch.

PETER P. MALLAK

Peter P. Mallak, 80 years old of Beachwood Subdivision, Antioch, passed away on Wednesday, April 3, at 7:05 p.m. in Hampstead Nursing Home at Lake Villa after a one year illness. He was born on Jan. 29, 1883, in Chicago where he resided until moving to Petite Lake 4 1/2 years ago. He has worked for Interlakes Steamship Co. as 2nd Engineer for 47 years and retired from this occupation 15 years ago. He held membership in St. Peter's church at Antioch.

Mr. Mallak's wife, May (nee Jasinski) preceded him in death on June 2, 1958. His only survivors are his brother, John Mallak of Petite Lake, and several nieces

and nephews. Funeral services were held from the Strang Funeral Home in Antioch at 9:30 a.m. on Saturday and at 10:00 a.m. at St. Peter's Church in Antioch where a requiem mass was held. Interment was in St. Adalbert's Cemetery at Niles, Ill.

REINALD W. FABER

Reinald W. Faber, 54 years old of 214 Chestnut St., Silver Lake, Wis., passed away on April 8, at 10 a.m. in Burlington Memorial Hospital, Burlington, Wis., after a 6 month illness. He was born Oct. 16, 1908 at Silver Lake, Wis., and had lived there all of his life. He was a carpenter contractor in the Silver Lake area for many years.

Mr. Faber held membership in Holy Name church at Wilmet, and the Holy Name Society of that church. He married Rose Hilbert on Oct. 10, 1936 at Wilmet.

His survivors are the wife, Rose, two sons Ronald of Wilmet, and Ralph of Silver Lake, two daughters, Mrs. Fred (Cheryl) Nichols, Kenosha, Wis., and Miss Diane Faber at home; his mother, Mrs. Millie Faber, Silver Lake; 8 brothers, Lee, of

Silver Lake, Kenneth of Lyons, Wis., Robert of Silver Lake, Walter of Englewood, Calif., Jacob, Silver Lake, Sheldon, Silver Lake, Lyle, Camp Lake, and Donald Camp Lake; four sisters, Mrs. Floyd (Mildred) Goehring, Richmond, Ill., Mrs. George (Genevieve) Felletti, Camp Lake, Mrs. George (Shirley) Klontz, Calif., Mrs. Darrell (Marjorie) Null, Silver Lake, and two grandchildren.

A requiem mass was held at 11:30 a.m. Wednesday at Holy Name Church in Wilmet. Interment was in Holy Name Cemetery at Wilmet. Friends called at the Strang Funeral Home after 2 p.m. Tuesday. The rosary was recited at 8:15 p.m. on Tuesday at the funeral home.

A little boy whose grandmother had just died wrote to the angels the following letter and duly posted it: "Dear Angels we have sent you grandma. Please give her a harp to play, as she is short winded and can't blow a trumpet."

Easter Seals Help Treat Crippled

Residents of Antioch have contributed \$128.00 to the 1963 Easter Seal Campaign adding to a county-wide total to date of \$9,208.00, according to Lou Durkin, Easter Seal Campaign Chairman.

Early returns show that 91 residents of the area have responded to solicitation letters sent out last month to 2,581 homes in the community.

"The average contributions on all returns have been most gratifying," Durkin said, "but there are still many thousands in the county who have not responded to the letters."

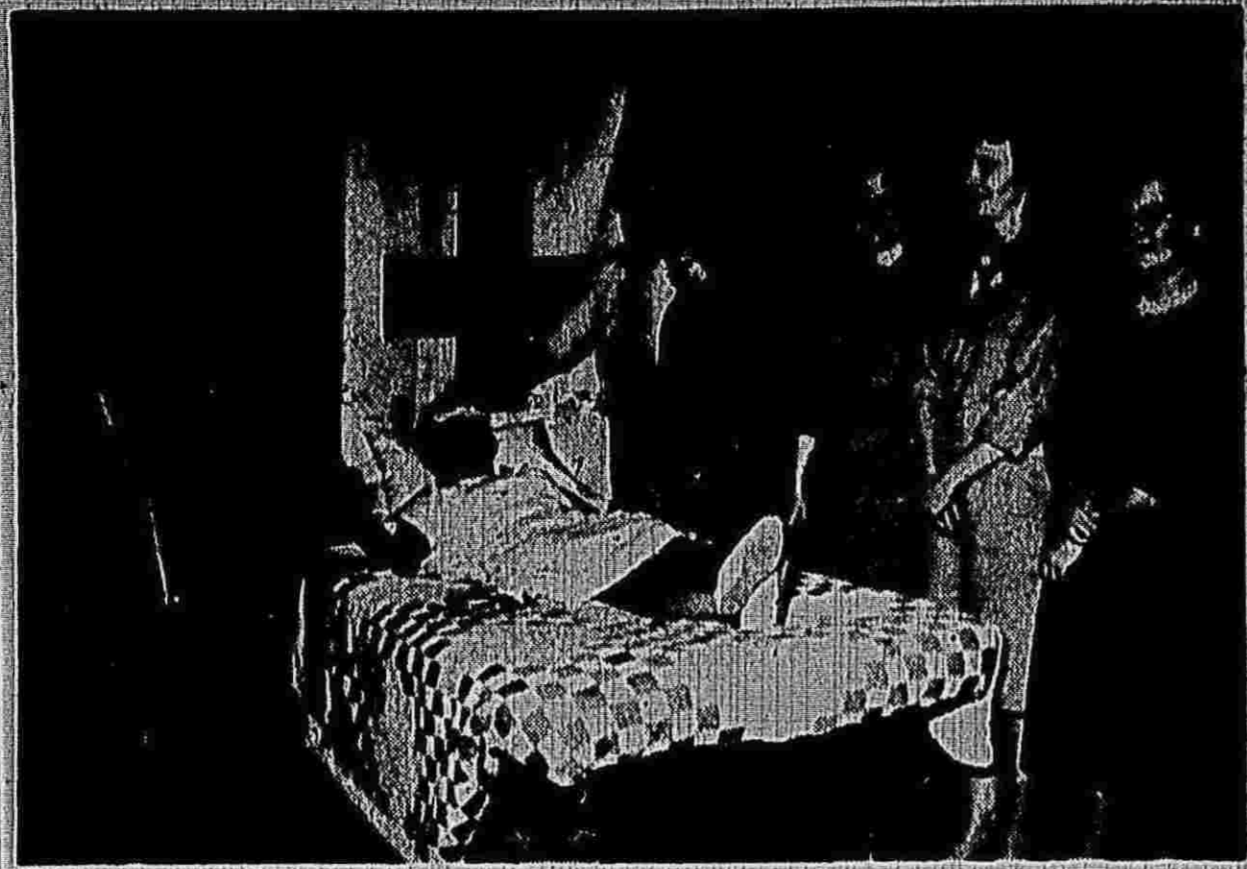

The Easter Seal Campaign this year was restricted primarily to a county-wide mailing as a result of a Board of Directors decision to eliminate the door-to-door solicitation.

Counter canisters placed in business houses throughout the county are supplementing the revenue from the mail solicitation and an Easter Lily Parade conducted in Waukegan last week added another \$325 to the proceeds.

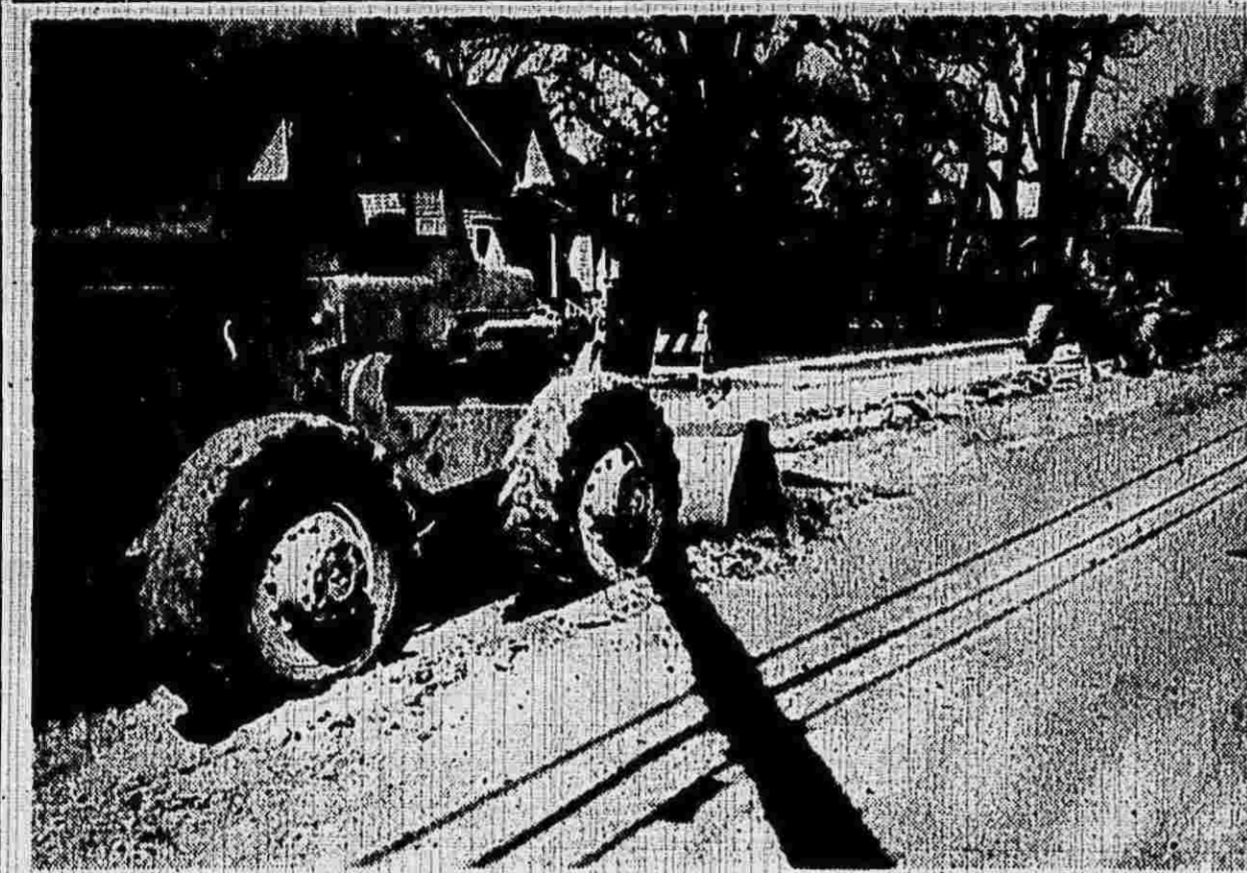

A budget of approximately \$35,000 has been set by the Lake County Easter Seal Society for Crippled Children and adults for the operation of the Society and the Easter Seal Treatment Center which recently moved to Waukegan from 700 North Ave.

"The bulk of the money needed for the operation and equipment of the Easter Seal Treatment Center comes from Easter Seal Campaign with approximately 85 per cent of the proceeds of the drive remaining here in the County," Durkin said.

There are more than 100 Lake County residents now receiving treatment for the crippling effects of cerebral palsy, polio, strokes, accidents, and birth defects at the treatment center while other patients are receiving speech therapy treatments

THE HOME NURSING CLASS MEMBERS graduated last Wednesday night at the Antioch Rescue Squad building, where classes have been held. Graduates Geraldine Ring, Shirley Schlosser, Sophie Thain, Geraldine Olson, Polly Bruhn, Eleanor Walsh, LuGene Nissen and Jean Bones practice on their instructor, Mrs. Helen Schimmel.

to correct speech defects.

"Many of the patients pay a fee based on a sliding scale commensurate with the ability to pay, but others must depend on the generosity of their friends and neighbors if they are to continue re-

ceiving therapy," Durkin said.

The 1963 Easter Seal Campaign officially closes on April 14, the campaign chairman pointed out, adding "The future of the Easter Seal Treatment Center de-

pends on the success of the Easter Seal Campaign and the success of the campaign depends on the generosity of the people of Lake County."

GIRL SCOUTS WILL PICK UP RUMMAGE ARTICLES

Girl Scouts will pick up your spring cleaning by picking up your usable odds and ends for their forthcoming rummage sale. The sale will be held on May 10 and 11 in Antioch and will be a combined rummage and bake sale with a special green thumb corner. It is being organized by the 20 Girl Scout troops of the Sequoyah Neighborhood which are located in Antioch, Lindenhurst and Lake Villa.

"It looks like the sale will be a very successful one," says Mrs. Robert LaParr, Program Chairman, "as we are receiving many calls to pick up clothing, knick-knacks, housewares and a few surprise items. But much more rummage will be needed."

To arrange for a pickup of your usable articles, contact Mrs. La Parr, Antioch 395-2647 or one of her committee: Mrs. Etta Barrett, Lake Villa, El 6-7538; Mrs. Richard Burnette, Antioch, 395-1296; Mrs. Alma Bailey, Grass Lake, 395-2546; or Mrs. Nancy St. Cyr, Antioch, 395-0910. "Since there will be no fund drive this year appealing for donations to the girl scout program," Mrs. George Sedivec, Neighborhood chairman, stated, "we are hoping the residents of Antioch, Lake Villa and Lindenhurst will give their full support to the Sequoyah Neighborhood Girl Scout Rummage and Bake Sale."

Noxons Celebrate 35th Anniversary

A group of friends and relatives participated in a surprise party on Mr. and Mrs. Mervin Noxon of Channel Lake on March 27 to celebrate their 35th wedding anniversary. Dorothy and Mervin were married on March 28, 35 years ago.

The party was held at the home of Mr. and Mrs. Glenn Dowell. Mrs. Dowell is the daughter of the Noxons.

Mr. and Mrs. Noxon have three daughters—Mrs. Doris Muller of Antioch, Mrs. Janet Maleske of Bristol, and Mrs. Glenn Dowell. They also have one son, Richard Noxon of Antioch, and 16 grandchildren.

He has announced that garbage collection will stop on May 1. The money left in the treasury will be used to repair roads. Members will receive letters some time this month informing them that, for lack of officers, the Association is being dropped.

"The inclusive character of IRS tax collecting operations brought a cynical comment from a taxpayer who was called in to account for some items of his income. 'I don't know who will be our first man on the moon,' he observed ironically, 'but I do know who will be the second. He will be an IRS income tax collector.'"—Grants, N. M., Beacon.

Antioch Township REPORT OF EXAMINATION Year Ended January 31, 1963

JEDELE AND CAIN
Certified Public Accountants
Antioch, Illinois
February 21, 1963

Mr. L. E. Murrie, Supervisor, Antioch Township, Antioch, Illinois

The following statements reflect the various cash receipts and disbursements handled during the fiscal year of February 1, 1962 to January 31, 1963 for the various funds for which your office is responsible. These statements have been prepared from the books, as kept by our office and verified by reconciliation with the source documents. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

All cash receipts were traced to the separate depositories and the various funds were reconciled to, and verified by, the banks.

Statements included are:

- Schedule 1—Summary of Funds
- Schedule 2—General Town Fund
- Schedule 3—Poor Fund
- Schedule 4—Road & Bridge Fund
- Schedule 5—Blacktop Road Improvement Fund
- Schedule 6—Special Funds

No special mention has been noted as to the various unpaid accounts, as of January 31, 1963, inasmuch as they serve no purpose to you for they are only the same type which recur from month to month. In addition, the statements presented to you have always been prepared on a cash basis, which do not reflect accrued items.

In our opinion, the accompanying statements present fairly the cash transactions of the various funds of Antioch Township for the year ended January 31, 1963, on a cash basis, consistent with that of the preceding year.

Yours very truly,
Jedele and Cain

Grant High News Notes

Through the cooperation of village officials and Grant High School administrators, students will handle the duties of running the Village of Fox Lake on April 30.

The first step in the process of choosing the student officials will begin April 3 when candidates for the office of mayor may secure petitions which will allow their names to appear on the primary ballot. The mayoral primary will be held on April 10.

Petitions for the offices of trustees, a police magistrate and village clerk may be circulated from April 17 to 19. On April 22 the primary voting will be completed.

At an all-school assembly on April 24 all candidates will be introduced to the student body. On the evening before the general election all candidates will have an opportunity to give campaign speeches. Following the speeches a question and answer period will allow the student voters to question candidates over their platform.

Final balloting will take place on April 26 and the winning candidates will be sworn in at the April 29 meeting of the Village Council.

Annually Student Government Day permits students to see at first hand the workings of the village government. The Grant Student Council supervises all phases of the campaigning and voting procedures.

The Latin vocabulary contest which began eight weeks ago in the Grant High School Latin classes has ended.

In the Latin I classes William Hansen, Ray Anderson and Timothy Proeme received first place awards.

the Latin II classes Robert Pike and David Spencer were winners. Beatrice Schlier rated first place in Latin III.

The contest is based on weekly tests and is administered by Mr. Thomas Walsh.

Grant High school students Diane Deering and Lisa Nordling have been nominated for the annual Achievement Awards program, sponsored by the National Council of Teachers of English (NCTE).

Council is conducting the awards program throughout the nation to grant recognition to outstanding high school seniors for excellence in English. The writing abilities and literary awareness of each nominee will be judged by local and state committees. NCTE will announce the finalists at its annual Thanksgiving convention, and will send their names to every U.S. college and university with the recommendation that these students be considered for scholarship assistance.

Colleges and Universities welcome the announcements of these superior students in English each year and honor the recognition extended to them. According to a survey just completed by the Achievement Awards program, 80% of the institutions polled take into consideration the award announcement when inviting, accepting and recommending program finalists for scholarship aid.

Reports of finalists from previous years shows that 99% of them attended colleges of their choice and more than 70% of the total students honored received scholarship aid averaging almost \$1000 per year.

were assigned to either a prone position (lying on their stomachs, or a supine position (lying on their backs). During their four-day stay at the hospital, we carefully recorded their physical and emotional reactions to their positions.

Incidence of diaper rash was found to be considerably more frequent in babies kept on their backs. Although diaper rash can usually be prevented by frequent changing of properly processed diapers, maintaining infants in a prone position does not reduce the incidence of diaper rash.

Scratches are found less frequent in babies who are kept on their stomachs. They are obviously less able to reach their faces with their untrimmed fingernails.

Crying is also considerably less frequent in babies kept on their stomachs. Nearly 30% decrease in crying was noted in babies kept lying in this position.

Chafing was noted in both positions—knees and faces were affected when babies were kept on their stomachs; back of heels were affected when they were kept lying on their backs.

Urinary Problems may be aggravated when male babies are kept on their stomachs. Respiratory ailments of certain types are prevented by changing babies' positions so they would not be in one position too long. No incidence of suffocation occurred in either position.

It would appear that no strong case can be made for either keeping babies continuously on their stomachs or on their backs. Obviously they should be turned occasionally and kept in a compatible position.

New Church At Salem

April 28th has been selected as the date for the first service of Salem Lutheran Church, located at the east junction of highways 50 & 83 between Salem and Paddock Lake, Wisconsin. This is a congregation that is being established by the Division of American Missions of The American Lutheran Church, according to the Rev. Alvin Pinke, Pastor of the Salem Lutheran Church, pictured above with his family.

Services will be held at 10:30 a.m. at the church, which is now nearing completion. The service will climax six weeks work by Miss Helen Poleg, ALC American Missions parish worker, and the Rev. Alvin Pinke, Pastor. A survey of the area is still in progress, but already a great interest has been expressed by residents, Pastor Pinke said. The nearest American Lutheran congregations to Salem are: Cross Lutheran of Burlington, Wis.; St. Mary's Lutheran of Kenosha; and St. Mark's Lutheran of Lindenhurst, Illinois, another mission congregation started about a year ago.

Inside Antioch High

By Marilyn Gras

This school week, although only three days long, has been a busy one for high school students and teachers. It was the last week of the fifth six-weeks grading period; so while students were busy studying for and taking six weeks tests, teachers were busy preparing and grading them.

Yesterday, the last day of school until next Tuesday, looked like an early Easter. It was a Dress-up Day, the third one this year, and students came to school in their "Sunday best."

Three ATHS students were successful at the District Science Fair at Lake Forest College last Saturday. Wilnetta Monnier and John Brady received a first award for their project, "Gallstones," and Terry Witkowski received the same rating on his project. These three students and their exhibits will go to the State Science Fair early next month.

The FNA, Future Nurses Association, has been working on tray favors for St. Therese Hospital. The girls have made about 75 of these favors.

The Senior Choir conducted a contest to select the program cover design for Song of Norway, this spring's musical which will be presented May 3 and 4. In voting last week the choir members selected the cover designed by Kathy Strahan. Kathy, a sophomore, will receive a \$3 prize for art supplies. This prize was donated by Mrs. Jacqueline Horton.

LAKESIDE REBEKAH LODGE NO. 62

Lakeside Rebekah Lodge No. 82, I. O. O. F., met April 3 at the American Legion Hall.

The program commemorated the birthday of Schuyler Colfax, who was the Founder of the Rebekah Degree of Odd Fellowship. Program chairmen were Mrs. Zella Larson and Mrs. Mary Ella.

Members of the Lodge attended church together on Sunday, April 7.

The next meeting of the Lodge will be on April 17, when Lakeside Lodge will honor the elective officers of District No. 3. An Easter Bonnet parade will be a feature of the evening's entertainment.

Lodge members are planning a Salad Bar Luncheon and card party on the afternoon of April 17 at the American Legion Hall. Luncheon will be served at 12:30 p.m.

CELEBRATES 80TH BIRTHDAY

The 80th birthday of Lee Ross of Antioch was celebrated by an Open House at the home of his daughter, Mrs. Shirley Gutowski, on Sunday, April 7. April 8 was Mr. Ross's birthday and several friends dropped in to wish him well on that day, also. Roy Kufalk was an honored guest at the Open House.

Mr. Ross has lived in Antioch since 1948. Before that, he worked for newspapers in Chicago, spending almost 28 years in the service of three of Chicago's daily newspapers.

Events of Community Club

On Saturday, April 27, the Central Community Club will hold a public card party for the purpose of raising funds for two scholarships to be awarded to deserving seniors at the Awards Day in May. The public is invited. Prizes for all game. Lunch will be served.

Gymnastics Exhibition

For the first time since the Central Community Club has been opened, Salem Central will have a gymnastics exhibition presented by the boys and girls in the gym classes. April 10, Friday, at 7:30 p.m., is the date. Everyone is invited. Admission is free. A dance will follow the program.

Students Ready for Presentation of Plays

Three one-act plays will be presented by the students at Salem Central on Saturday, April 20, at 8 p.m. A small admission charge is in order. It is hoped that a good crowd will appear to make it worthwhile to spend time on this cultural aspect of school.

The race for position in the several leagues at the Antioch Bowl grows increasingly hot as the season draws near an end. Sometimes only half a game separates teams in the league standings.

In the Friday night Majors, Joe & Helen's seems a safe bet for first place. They have a won-lost record of 61-20. Their closest competitor, Pittman Motors, stands at 55-32. In third place, as of this week, is Volo Bait, with 53½ games won, 33½ games lost.

High team series in the Majors is held by Joe & Helen's, a resounding 3214. They also have rolled high team game, 1111.

High individual series in the Major league was rolled by Mike Badame, 714. High individual game was Carl Neuman's 279.

The Pinspotters

The Pinspotters, Friday night Ladies' league, also has no contest for first place, with Volo Bait leading the field with a safe edge of 58½ won and 31½ lost. The closest team, Leo Fox Trucking, is 11 games down with 47½ - 42½. However, second, third, etc., is up for grabs, with several teams so close one game could change the standings.

Barnstable's has a 47-43 record, tied with Franklin Drugs. Several teams have 45½ and 45 wins.

High team series is held by Barnstable's, with 2428. High team game is Volo Bait's 848. Individual high game and series are both held by Curly Wertz, a 632 and a 257.

Bi-State League

The Bi-State League has a close race, with Toopenack's Masonry leading as of April 4, with 52 wins and 33 losses. Only one game behind is Dalgard's IGA with 51-39, followed by Charlie's Channel Inn with 51-39 and El Mars with 50-40.

High series in the Bi-State league is held by Charlie's Channel Inn, 2958. High team game is El Mars 1039. Pete Schumann's 710 is high individual series, and Rich Jacobson's 204 is high game.

News of Lakes Sports

Prospects Of Baseball Team Uncertain

With only three returning lettermen reporting this spring for the High School baseball squad, Coach Bruce Stahmer was hesitant about any predictions for the season's outcome.

"We will strive for a .500 season," he said, "and hope for the best. We have no returning varsity pitcher," he added, "and none of the boys on this year's pitching staff has ever thrown in a varsity game."

"From practice sessions so far," Stahmer said, "it looks like Les Geist, Dean Horton, Dean Denman and Jim Brownlee will be our most consistent hitters. They have been meeting the ball well in the last few practices," he added.

In looking over the conference, Stahmer commented that "judging by past performances it looks like Grayslake will be the team to beat."

Stahmer will be depending heavily on returning lettermen Jimmy Brownlee, Don Blackman and Jim Wojczynski. Wojczynski will take up duties in center field at the opening game while Blackman will be posted at second base. Jim Brownlee will try his hand at pitching.

Other probable starters included Norbert Wolter, 1st. Ken Larson, 3rd, Dean Horton, ss, Les Geist, lf, Dean Denman, rf and Ron Van Rooyen, catching.

Other boys slated to see a lot of action are Jim Barnstable, catcher, Jeff Gates at 2nd, Bob Oilschlager, pitcher; and Jim Wetterberg. Oilschlager will not be able to report for duty until around the 15th of April due to a bout with pneumonia.

Rounding out the squad will be a host of juniors. Rich Davis, Don Check, Roger Eberman, Erich Larson, John Horton, and John Sebesta.

BOATING WITH BOWMAN

BOATS EXTEND PHOTOGRAPHY HORIZONS

By Hank Bowman

Boats and cameras combine to offer new excitement for the photo hobbyist. From sunrise to sunset, on clear days or in the fog, even by moonlight, marine settings present countless picture opportunities.

But the newcomer to marine photography may snap dozens of shots under ideal conditions and have little to

show for this consumption of film.

Anyone who has come home from a day of boating with a sunburned face has learned one of the first basic facts of on-the-water photography. Water reflects far more light than land, and just as your skin can be overexposed, so most people tend to overexpose pictures taken on the water.

In general, if you don't have a light meter to establish an accurate reading, close down one "f" stop smaller for marine photography than you would shooting under similar light conditions on shore.

Better yet, slip a light yellow K2 type filter over the lens. It will protect your lens from spray or blowing sand, cut the light approximately in half without closing down on your stops, will make clouds stand out against the sky and offer a clear separation between water and sky, water and sand, or sand and skin tones.

Pictures taken on perfectly calm water with no reflections are dull. Toss a stone into the water to create ripples and add pattern to the picture. Your cam-

Fishing Report

Fishing has perked up all over the place. Find a channel and you'll find crappies. Some spots have been better than others. Like for example, at Spring Lake channel, at Earl Bece's place last week. Wednesday when it was blowing a gale and no sane fisherman (oh, yeah?) would think of venturing forth, they did, and they pulled 'em in hand over fist. It began like this—Earl put out a line with a worm on the bottom hook and a minnow on the top one. Not having very much faith in the possibilities, he set the pole down and went about his chores. So comes a guy out from Chicago with piscatorial mayhem in his heart, and pops the eternal question: Hardayhitten? Ahduhno, says Earl, let's go see—picks up the fish pole and—yep, there was a good size blue cat on the bottom hook and a nice crappie on top. That did it! So this guy from Chi went to it like there was no tomorrow. He caught a netful, and was so pleased he came back next day with a couple of buddies. They did so well I was seriously considering taking over the

THE 19th HOLE

BY GEORGE DIAMOND

Earlier columns have been devoted mainly to the splendid recreational and social facilities offered by the private George Diamond Country Club in Antioch for members and their families. And let's face it, the George Diamond Country Club is worth shouting about. Located at Highway 59 and Grass Lake Road, it's one of the Midwest's finest.

Today, however, I'd like to tell you about the George Diamond Charcoal Broiled Steak House that is open to the public all year around. The public steak house, adjacent to the private country club, has won the acclaim of discriminating diners from coast to coast. Delicious charcoal broiled dinners are served in a festive, luxurious room that boasts an international art exhibit that I've personally collected.

No detail escapes our personal attention—from the proper and careful aging of our steaks to the selection of only the finest grades of vegetables for our salads. The coffee is deliciously brewed, too, and our courteous, efficient waitresses don't let you see the bottom of your cup until you've had all you want.

In addition to the mouth-watering charcoal broiled steaks, another specialty of the house is a George Diamond shrimp dinner featuring one pound of delicious charcoal broiled shrimp. These large shrimps are imported from South America especially for George Diamond guests. The food at our restaurant in Antioch is of the same high quality as that served in the George Diamond Charcoal Broiled Steak Houses in Chicago—at 512 S. Wabash and 1133 S. Wabash—and in Palm Springs, California.

We're fond of children, too, and we prove it by paying particular attention to their menus. Children's dinners have been specially created to encourage dining out by the entire family.

After dinner you are invited to a "musical dessert" . . . in our unique "Go-Go" Room, just a step from the steak house. Here you can dance all evening without any intermissions. As far as we know, our "Go-Go" Room is the first of its kind featuring custom-created stereophonic sound, and is a place where you can dance to the best music in the country and even request your favorite tempos. There is no cover or minimum charge in the "Go-Go" Room and we absorb the excise tax.

Best of all the price is right at the George Diamond Charcoal Broiled Steak House. Dinners start at \$1.65.

(Watch for next week's column by Mr. Diamond, president of the George Diamond Charcoal Broiled Steak House, adjacent to the private George Diamond Country Club in Antioch.)

horrific concession. Incidentally, Earl and his pleasant frau took over the Spring Lake Marina recently, and are doing all right by the fishery, including very early morning breakfast, which is a hard-to-find commodity around these parts.

Earl is Scoutmaster of Grass Lake Troop and is active in PTA. It was Earl's son, Robert, in collaboration with Lenny Rozek who coined the top honors at the Antioch High School Science Fair with their conservation exhibit. They did it against Lake Forest College last Saturday, where they took the consolation away from similar winners from all the other schools in the area. Next stop is Champaign, May 10 and 11, where they take on the regional winners at the finals. Don't worry boys, you'll take 'em there too. Ed Cooney and the Northern Illinois Conservation Club did their work well.

By the way, we're gonna miss Ed an awful lot. Besides being a swell guy personally, he was a most ardent conservationist who worked hard at it all the time. Ed was the guy who established conservation education in the classroom, working with the NICC. The winning Reese-Rozek display was a reflection of Ed's good work. So long, Ed—we certainly are gonna miss you—an awful lot.

AIN'T IT THE TRUTH DEPT.—Next to a jet, the fastest moving object is a nudist who spills hot coffee in his lap.

The Antioch bunch have been decimating the wall-eyes in the Rock River up at Fort Atkinson. Helme Ellis, Clarence Kufalk, Bob (Stuff) Carter, Dick (our leader), Waters, Ernie Di Lab and John (Pop) Hemm came back bragging with five apiece limits, which, THEY SAID, were caught in no time at all. So on Monday, all fired up with enthusiasm (yeah) John (Cup-Up) Lacina and me loaded up four equipment, silo and hied hence to nail us a couple of limits. Well, it was cold—it was windy—it was overcast—but we did catch a limit between us. It seems the females (the big ones) had already passed through on their way upstream to spawn, and now the males (little ones) were coming through. It figures, Cherechez la femme. (English translation: where the girls are). So we wound up with little ones. Of well, it was fun—except that part about getting up at 5 a.m., especially after sitting up until 1 a.m. the night before, watching that Gallie stinker on the tube.

He fascinated me so I kissed him. Then he started to unfascinate me, so I slugged him.

Jacque Koppen was up at Eureka Dam last week and did alright with the wall-eyes, too. If he does not deposit them at the First National in town where he works, what does he do with all those fish he catches? They were catching big northerns up at the Wilmet Dam last week. Those are our northerns which we are not allowed to catch thru the ice, nor until May 1st. They head upriver when the ice goes out, to spawn, or something, and the State of Wisconsin gets liberal and lets 'em be fished, below the dam, of course, with no closed season any time. C'mon you guys in Springfield! Smarten up.

Making love to a woman after the flame has died is like scratching a place that doesn't itch any more.

They've got Eddie Sorenson humping these days—they're buying up his "minerals" (bait minnows, girls) faster'n he can fill up his tanks. There's nothing like a happy minnow to seduce a fish into being hooked. Just like the smart gypsy wise-cracked: Men and worms are pretty much alike, and sooner or later the Chickens (that's you, girls) get 'em both.

NICC Plans Fish Study, Trip With Boy Scouts

By Harry H. Stern

The Northern Illinois Conservation Club set the date for their annual Boy Scout safari to the Kettle Moraine Forest for May 4. The boys will be conducted around the grounds, where they will observe modern methods used in planting pine forests, as well as recent plantings by Wisconsin school children. They will see the results of plantings made in the years past and how well the trees have flourished.

A short hike through the forest will be followed by a cookout. The NICC will provide the bus transportation for the scouts from the four Antioch area troops. Bernard J. Becker, Scoutmaster of Fox Lake Troop 81, who was a guest of the Club, was invited to bring his boys along on the outing. Final plans for the trip will be announced as soon as they are completed.

A meeting has been set with officials of Lotus School to establish the NICC's outdoor laboratory and tree planting program there. This project brings the teaching of conservation and nature study into the regular curriculum in the classroom, and then the school grounds become the laboratory where the learning is put into practice.

This plan has been extremely successful and fruitful at Grass Lake School where a similar project was begun over a year ago. Club officials expect equally good results here.

William A. Wiczorek, Lotus School Board president, and Harry Kraemer, custodian, were guests of the Club at the March 27th meeting. Publicity director Harry H. Stern, in a report, advised the Club that a rustic type sign is in the works and will be installed at Grass Lake School, to identify it as a NICC sponsored project.

President Richard Waters apprised the Club of the comprehensive Fox Chain of Lakes fishery study as proposed by Bruce Muench, area fisheries biologist. Scheduled to begin in March, 30 work days have been allotted for this project, 18 of which would be devoted to what is termed "the heavy field season" of May through August. For economy of time, sampling will be accomplished in a continuous series of workdays during a month to avoid extra travel and moving of equipment. Lakes will be considered in sets of three which will be sampled in a particular daytime or nighttime series. Standardized sampling procedures will be used so that methods can be duplicated in the future for comparison.

Also to be used for comparative purposes will be data from the Whitacre studies during 1952 to 1955. The big increase in water oriented recreation coupled with the intensive development of the land surrounding the lakes in the chain has brought about widespread concern for the quality of the water in the various lakes and more particularly, the possible degeneration of the fish and fishing. The NICC, in its fight for such a study, felt it was necessary, to bring about some valid evidence regarding the fish population and environment as it presently exists in the Fox Chain.

Muench set up a schedule which lists the information needed and the study required:

FOX CHAIN STUDY—FISH SECTION

Information needed: Composition of existing fish population in each lake in the Chain.

Study required: Sampling of fish several times during season with several kinds of gear (gill net, spot rotenone and day-night shocking).

Bi-State League

Thursday, April 4

Elmer Kruse's 601 series powered the El-Mar group to a 2844-1001 series, and a 2 game win over Knapp Shoes.

Chuck Waters, Rodger Kruse and Bob Morton clipped in with 591-575-553, respectively. Bob Beck starred for Knapp, with 597.

Gus Siedschlag, one of Bi-State's up and coming bowlers, bombarded the maples for a record 620, backed up by brother, Herman Siedschlag with 582-255 and Louis Rudolph with 574, giving the Rudolph Turkey Farm a 3 game sweep over Haydon Homes.

Colonial won 2 games from Slide Inn, with Bob Millar starring with 595 and Capt. Earl Hogan close behind with 583.

Charles Channel Inn, fighting for first place, swept all three from Beau-Vue Products. Bob Bywell and Stan Binkowski, shooting in their usual form, blasted 593 and 582 respectively.

Larry Dewar's 606 spotlighted the Dalgaard-IGA quintet, taking two from the Rozenack Masonry. Sponsor Russ led his team with 594.

Gibbs & Jensen (W. Fillatreault 535) took the odd game from Dortmund Inn, (Bill Hagstrom 556).

With nine games left, the standings are as follows:

Rozenack Masonry 52-38
Dalgaard's IGA 51-39

Army Recruits Offered New Enlisting Plan

SFC Arthur R. Nelson, of the Army Recruiting Station, has announced a new plan for young men wishing to enter the army for the specific purpose of entering the warrant officer flight training program.

Recruits may sign up for this course in pre-flight training. If applicants successfully complete the course, they must serve at least 36 months on active duty as a warrant officer. If, however, they fail to "make the grade" at any time during the course, they will only be required to serve two years, the same as though they had been drafted.

heard Saturday night.

"Doughnut Day" Date Set

The silver anniversary of "Doughnut Day" as an area-wide tagging event will be celebrated by the Salvation Army in June, Commissioner Samuel Hopburn, Central Territorial commander, announced this week.

The twenty-fifth annual tag day for the benefit of the Salvation Army and its social service program will be held on Friday, June 7, in Chicago and in Lake County.

Approximately 10,000 volunteer taggers will sell the familiar doughnut-shaped paper tags. The 1963 goal has been set at \$100,000. Proceeds help support the programs and services of 39 Salvation Army institutions, departments and corps in the greater Chicago area, and provide a part of the emergency funds used by Salvation Army Service Units in many suburban communities.

Swiss Typhoid Outbreak Is Warning

If you are going to travel outside the United States, make sure you are properly immunized, is the advice of the Lake County Health Department. Several Lake County residents who were in Zernatt, Switzerland, during February, are now under the surveillance of their physicians. This recent outbreak of typhoid fever illustrates the possible exposure that foreign travelers risk.

The typhoid outbreak in Switzerland apparently began when a Swiss laborer became ill on February 6. His diagnosis as typhoid fever was not confirmed until early March. By March 26, about 250 cases of typhoid had been identified in Europe.

Since March 4, 20 charter flights of skiers have returned to the United States from Switzerland, with over 2000 passengers. Four cases of the disease have already been observed among these persons, and others are anticipated.

Dr. Baker added that although the health department's recommendations regarding adult immunization is directed to foreign travelers, it also applies to those who stay at home. Immunization against tetanus, diphtheria, polio and smallpox should be maintained by all adults.

Earnings of Tollway Decrease in March

Hinsdale, Ill.—Preliminary traffic revenue of the Illinois Tollway for March of this year was \$1,792,448 as compared to \$1,856,398 for the same month a year ago, a decrease of \$63,950 or 3.6%, it was announced Tuesday by Charles M. Burgess, chairman of the Illinois State Toll Highway Commission.

Revenue figures, subject to audit adjustment, indicate traffic revenues of \$4,795,530 for the first three months of 1963 as compared with \$4,981,603, for the same period of 1962, a decrease of \$186,073 or 3.7%.

EASTER MORN SCRAMBLED EGGS

Scramble as many eggs as needed, allowing
2 eggs per person with 2 tbsp. of thin cream
or evaporated milk per egg. Have skillet gen-
erously buttered and place over medium heat.
When butter starts to bubble, add beaten egg
mixture. As egg sets, stir and cook until con-
sistency of soft custard. Finely diced ham and
chopped parsley will enhance eye and taste
appeal. Serve hot with buttered toast and
